PRIVACY POLICY

A cookie is an anonim small text file that a website stores on your computer or mobile device when you visit the site to provide better experience for you.

Anonim third party cookies are cookies not from the website itself but from third parties e.g. plugins for marketing purposes. Examples are cookies from Facebook or Google Analytics. You can change the settings of your internet browser in such a way it doesn't accept cookies or that you receive a warning whenever a cookie is installed or that cookies are deleted from your hard disk.

This can be done by changing the settings of your browser. Be aware that modifying these settings can cause that graphic elements are not shown correct on the website or that you won't be able to use certain functionalities of the website.

Social Media, Google Analytics and 3rd party softwares

This website uses 3rd party softwares and plugins to analyze the visitors:
1. Google Analytics
   a. We are able to collect anonim informations about our visitors from Google Analytics such as how many page visitors, current visitor number, which pages are the most popular etc.
2. Facebook pixel - remarketing
   a. Facebook pixel allows the marketing to be more accurate. It means if you visited an ad or interacted with a page, then you have the chance to receive promotions again from that company. You can can opt out of interest-based advertising in Cookie settings.
3. Google Ads remarketing
   a. Google Ads remarketing service to advertise on third party Websites(including Google) to previous visitors to our site. You can set preferences how Google Advertises to you using the Google Ad Preference Page or you can opt out of interest-based advertising in Cookie settings.

4. Smartsupp
   a. Online 3rd party chat software allows us to communicate faster than email with our visitors. IONDEVS are not saving any data from these conversations.
